## Lance Thompson to Receive State Male Service Award

Greater Houston USBC (GHUSBC) 3rd Vice President, Lance Thompson is to be honored by the Texas State USBC Association (TSUSBCA) at their annual meeting in May 2011. Candidates for consideration for this award came from all over the state of Texas.

Lance is a very familiar face in all of the bowling centers throughout the Houston area as he is Chairman of the Lane Certification Committee for the GHUSBC. He has served in this capacity since 2006. Certifying lanes for more than 20 centers throughout the Houston area is a significant responsibility. Lance keeps in contact with the current managers and head mechanics at all centers. He has a profound knowledge of the certification process and stays up to date on the latest specifications for USBC. He also ensures that all certification personnel are properly trained.

Other awards Lance has received are the Walter Rachug Memorial Award, Volunteer of the Year, and the "Bill" Fisher Award of Excellence.

Lance Thompson bowls at Del Mar Lanes in the Colonial League and at Max Bowl North in the Hits & Misses League. He bowled his first 300 this season and averages in the 190s.

## David Jay Recognized as the State Proprietor of the Year

For the second year in a row TSUSBC has chosen a Greater Houston area General Manager as Proprietor of the Year. In 2010, Mike Nelson of Copperfield Bowl was chosen and now in 2011 David Jay, Palace Lanes received the nod. Palace is a 44 lane center and is owned by Tropicana.

David served on the GHUSBC Board of Directors for 3 years and was able to introduce a new spectrum which enabled the board to understand the proprietor's view in regards to tournaments, etc.

Palace has been the host center for the Luci Bonneau Striking Against Breast Cancer for 11 years. This is a local charity event that brings in professional players from all over the U.S.

David Jay has been a member of the Houston Bowling Hall of Fame since 2008 and was inducted on Superior Performance. David has several 300s and 800s and averages in the 220s.

When local tournaments are held at Palace, David has been known to "sweeten the pot" by adding to the scratch portion of the prize fund. He is always on hand through-out tournaments to lend a hand and to ensure everything runs smoothly.

## Association Representatives Needed in Centers Around the City

If you would like to be involved in your local association in a volunteer capacity, either as a Director or Association Representative, please contact Cheryl Polak at the bowling office, 713-874-1277 or Doris Chesser 713-466-7863. Cheryl will assist you in obtaining the information you need to become a Director. If you would prefer to serve in a diminished capacity, although be involved, you may contact Doris Chesser and she will assist you in becoming an Association Representative.

**WE ARE CONTINUALLY LOOKING FOR A FEW GOOD PEOPLE!!**

### Jesse Seals takes on Association Representative Duties

Jesse Seals has unknowingly been working as a volunteer for the GHUSBC for some time. He has been promoting local competition by encouraging bowlers to enter the GHUSBC tournaments. Even though Jesse could not participate, he promoted and entered five teams into the GHUSBC Women's Championship Tournament in February. He also entered two teams into the GHUSBC Men's Invitational Tournament in March, and was implemental in submitting two teams for the Texas State USBC Open and Mixed Tournaments. In the TSUSBC Open in 2010 he was delighted when he found himself bowling on the same pair as USBC'S Kim Terrell-Kearney.

Jesse works for Exxon Mobile and is president of their employees club. He will be giving out awards and serving as an official Association Representative. At Del Mar Lanes he bowls in the Mid-night Ramblers league and at AMF Willow he bowls in the Exxon Mobile Mixed League serves as the president.

Jesse and Denise Seals met each other in dancing class have been married for 16 years. Denise introduced Jesse to bowling.

### End of Season-Final Averages

One of the most important obligations as a league secretary is to furnish final averages for the current season. In the current rule book, USBC states under Duties of the Secretary, Rule 102e(9), Furnish a list of individual averages to the local association manager when requested. The list must show the full names and ID numbers of all bowlers who competed in the league, the number of games bowled, total pinfall and average for each bowler.

Cheryl Polak, Association Manager for GHUSBC makes this obligation easy for Greater Houston secretaries. She furnishes a list of bowler names and ID numbers of the bowlers for whom the secretary has turned in membership cards. The secretary only has to fill in the blanks for *Pins*, *Games* and *Average*.

Averages as of May 1 are posted in the average book each season and will be due in the association office by May 15, 2011. Full instructions will be listed at the top of each list and secretaries must furnish this info even though their leagues are not finished for the season.

### Calvin Maples Appointed as Director of GHUSBC

GHUSBC President Donna Hall appointed Calvin Maples as a Director at the February 25, 2011 board meeting. The board of directors voted unanimously to approve the appointment. Calvin was appointed to fill the vacancy left by the resignation of board member, Jim Hollis. Calvin has been busy serving as a volunteer at the local tournaments and will now serve in an increased capacity. Committee assignments for Calvin will be forthcoming.

Calvin is a native Houstonian and graduated from Pasadena High School. He is also a U of H graduate with a BS in Biology. He retired from Lubizol after 40 years of service.

Calvin married Donna Thweatt of Pasadena 37 years ago. They have two sons and a daughter, Christopher, Steven and Dana. His bowling career started at the old Meadowcreek Lanes with his dad in the Phillips Bowling League in 1968. Calvin did have two 300 games at Meadowcreek in 1969 and 1970 but unfortunately the lanes did not pass the ABC inspection. Ironically, Calvin has now assisting the association in lane inspections for USBC.

Please join us in welcoming Calvin Maples, GHUSBC Director.

### Lane Certification Committee

This committee is in all probability the most important assignment for your local association. The committee members spend countless hours traveling from center to center certifying that lanes comply with USBC guidelines. Lance Thompson, Chairman, not only travels to these centers himself, he contacts the center managers to set up appointments for certification and does all the paperwork involved to make sure the center is certified for the year from August 1 to July 31 of each year.

For many, many years Don's Thursday Night Scholarship League was the league to be in and of course, the bowlers would strive to make the cut for the weekly "king/queen of the hill" title. Don would personally fundraise in order to increase the scholarship payout for his bowlers, as well as raising funds to assist youth bowlers in being able to participate in the ever popular regional bus trips.

Don chaperoned bus trips for in-state and out-of-state regional tournaments for more than 16 years. He would plan for months at a time for activities in addition to the regional tournament.

In 1999 Don received the Texas State YABA Meritorious Coach of the Year Award.

### **Southern Bowling Congress**

Greater Houston USBC board members along with Southern Bowling Congress (SBC) board members traveled to Memphis, TN to attend the SBC annual breakfast and board meeting. While there everyone participated in the SBC yearly tournament.

Temperatures there were on the low side and most everyone did not have the proper outerwear to be totally comfortable. This made it a little bit uncomfortable for those participating in the golf tournament. There were some "die-hards" who went out to the links and hit the ball around and all they received for their efforts were red faces due to "wind burn"....at least that's what they called it. There were no Houston winners announced, so it makes you wonder if the red faces were due to their golfing skills.

There were seventeen scholarships awarded to youth applicants. Each scholarship was for \$500.

Attending were: SBC Directors from Texas Larry Caldwell, Thomas Berry, Richard Kreger; SBC Life Members Bob Beck, Bill Fisher, Leland Griffin, Gilbert Trevino; GHUSBC Association Manager Cheryl Polak; GHUSBC Directors, Cindy Givens-Berry, Kim Baird, Ronnie Baird, Tim Anderson, Ken Fulkerson, Lance Thompson, Calvin Maples and Doris Chesser.

## HOUSTON BOWLING HALL OF FAME

By Donna Hall

Oh What a Night....

February 5, 2011 was certainly a night that will be remembered for quite some time for Doris Chesser and Paul Coover. It was the night the Houston Bowling Hall of Fame held their 36<sup>th</sup> Annual Dinner and welcomed these two bowlers along with Lew Harris into the Hall of Fame.

Doris Chesser, GHUSBC Director and editor of the *News to Spare* publication was elected to the Hall in the category of Meritorious Service. Doris became interested in the administrative side of bowling when she married Hall of Famer Jim Chesser. She began as a House Representative for Copperfield Lanes and she has been the Secretary Treasurer of the Scramblers League for the past 20 years. In 1998 she was elected a Director for the Houston Women's Bowling Association and also served as the Sgt-at-Arms and 3<sup>rd</sup> Vice President. She received the Beverly McLendon Leadership Award in 1999. In 2006, Doris was elected a Director of GHUSBC and is currently serving in that position. The Texas Bowling Writers selected her as the Writer of the Year in 2008. She has been a member of the Publicity Committee for the past five years and she has been the editor of the newsletter for the past two years. Doris also writes quarterly articles about the happenings in Houston for the TSUSBC publication, *Across Texas Lanes*. After her husband's death in 2006, Doris established the "Jim Chesser Memorial Scholarship Award" which provides scholarships to youth bowlers based on service. In 2010, Doris could be found helping out at every event for the American Wheelchair Bowling Association National Tournament. There is no one who represents the game of bowling like Doris. She is always ready and willing to lend a hand whenever needed and she always has a smile on her face.

Paul Coover entered the Hall of Fame as a member of the Superior Performance category. He began his bowling career at the age of 10 in Lynwood, California and at the age of 16 he won his first All Events title in Los Angeles. In 1974, Paul moved to Houston and began bowling at Stadium Lanes. He continued to win titles while bowling in the Masters Bowling Association Tournaments in both, Dallas and Garland. During the 80's, Paul was working out of the country in France, Germany and Italy, but he continued to hone his bowling skills. He won seven singles tournaments and in 1987 he came home to Houston to help his team win the Houston City Tournament. In 1993 held the title of Houston All Events Champion. In 1998, he was the City Scratch Singles Champion and in 2003 he was a member of the City Scratch Championship Team. Paul and his team finished first in the SASBA Team Tournament in 2005 & 2006 and also finished first in the SASBA Trio Tournament in 2007 & 2008. In 2010, Paul won the Senior Handicap All Events title in the GHUSBC Open Tournament. In addition to the titles, Paul has 19 perfect games and a high series of 851. Recently, Paul has not been able to bowl much due to a back injury, but he has been released by his doctor and he is ready to bowl again.

Lew Harris was inducted into the Hall of Fame as the fourth member in the Legends category. If you were fortunate enough to remember him, you knew his heart belonged to bowling. He was quite a character who had a personality like no other. He was a short, balding and rotund man, who smoked a cigar and worked as a printer and did not care how others saw him. Lew is credited with publishing the first bowling newspaper in Houston during the 1950's and he is the founder of the Houston Bowling Association Lily Club. He was a great promoter of bowling and bowled league five times a week all under the banner of Dr. Pepper. Lew served as a Houston Bowling Association Director from 1954-1957 and was a strong supporter of the HBA City tournaments. Lew bowled for approximately 20 years and carried an average of 190 plus. Although he never achieved that perfect game, he did bowl a 299 and numerous 700 series. It is impossible to know how many awards he would have won as Lew passed away during the '60s, but one thing is for sure, he was devoted to the game of ten pins.

*Congratulations to all three of the 2011 Houston Bowling Hall of Fame inductees!*
